The Truth about Face and Neck Lift Incisions - The Truth about Face and Neck Lift Incisions by Dr. Mike Nayak 133,092 views 2 years ago 14 minutes, 49 seconds - Where will the incision lines be?" In this video, I answer some of the most frequently asked questions about facelift and necklift ...

Where will the incision lines be? Incision pattern

Why are the incision around the ear? Why do they have to go there?

Can this procedure be done only behind my ear?

How visible will the incisions be? Patient at one month post surgery

Patient at 6 weeks post surgery

Patient fully healed, six months after surgery

Revising a facelift performed by another surgeon

Submentum (below chin) incision lines

Taking advantage of hypopigmentation (healing that is lighter than surrounding skin)

Considerations for surgery on darker skin types

What about facelifts for men?

Fixing poor incision line placement performed by other surgeons
